

Ealing Schools Counselling Partnership

The Space – A Place to Talk

We have a lunchtime drop-in every Monday called **The Space** for children who feel vulnerable in the playground or who have something that is concerning them. This is a place where they can come and talk alone or with a friend about their worries. The service is provided by the Ealing Schools' Counselling Partnership, funded by John Lyon, that we helped set up. **If you do not want your child to use this service, please let us know.**

Ealing Schools Counselling Partnership Parents' Drop-In

As part of the Ealing Schools Counselling Partnership there will be a regular Parent's Drop In **at Berrymede Juniors between 9-10am**. This is a strictly confidential space in which you may discuss any concerns you have about your child(ren) and/or receive emotional support due to difficulties that maybe going on in your life i.e. bereavement, separation, stress, anxiety, etc. If you would like to attend or would like more information contact our therapist, Eleni Vambouli, Tel: 07469-701260, E-mail: evambouli1.307@lgflmail.org or leave a message with the school office and she will get back to you.
