

Monday 4th October 2021

Dear Parents & Carers

I hope all our families are safe and well.

As many of you are aware, Ealing Council and the Governing Bodies of Berry Mede Junior and Infant schools are proposing that our two schools merge to become one primary school.

The consultation for this proposal is being launched today, Monday 4th October 2021. The consultation document will be available on; Ealing council website, both school websites as well as via Class Dojo. Hard copies can be requested from both school offices or downloaded directly from the school websites.

This is an opportunity for our families and local community to consider the proposal and share thoughts and views. There are two dates scheduled for parents to be able to meet with representatives from Ealing Local Authority regarding the amalgamation:

Tuesday 19th October 2021 3:30 – 4:30

Face to face at Berry Mede Junior School for both Infant and Junior parents
(Entrance via North building)

Wednesday 20th October 2021 4:00 – 5:00

Virtual Meeting for Berry Mede Junior and Infant parents, link:

<https://surl.ms/zfv>

The link will be sent out via Class Dojo and will be accessible on both school websites.

We look forward to welcoming your feedback.

Yours sincerely

Mrs L Khan
